Wedding Venue Options

- The resplendent lodge gardens.
- Sun downer site

• Sharinki Springs - 27Km from Lodge (at a Supplement)

The spectacularly clear water splashes over grey rocks between the doum palms that grow on the steep slopes giving rise to a permanent rainbow. The spring flows and tumbles into a waterfall and at the base, there is a sandy beach surrounded by doum palms and the majestic savannah sounds - rushing water and a symphony of wild bird song.

A ceremony the size of the Samburu Traditional Ceremony will require you to be on the elevated plateau above the falls

• Joy Adamson - 22Km from Lodge (at a Supplement)

World-renowned artist and conservationist Joy Adamson chose this site as a scenic location for her home. It is set amongst doum palms with a spring in the centre and has an amazing view of the numerous mountains in their hues of blues and purples.

• Mt. Bodich - Survivor Tribal Council Site 27Km from Lodge (at a Supplement)

Set amongst Acacias in a golden clearing this site was recently used by CBS Survivor Africa for their grand finale. This Location has a wonderful African feel to it: savannah gives way to undulating foothills of various colours which graduate into a magnificent Hollywood backdrop of Mount Bodich. Set in the reserve with the plains surrounding the location there is a good chance you may have wild game milling in the background for you wedding!
