

REVISED COVID-19 PROTOCOLS

MARCH 2022 | PRESS RELEASE

INBOUND AND OUTBOUND TRAVELLERS TO KENYA

- 1 Masks are not mandatory for guests in public spaces however guests are required to have their masks in indoor spaces.

- 2 Guests will no longer be subjected to temperature screening upon entry or in various outlets across all Sarova properties.

- 3 All our hand washing and sanitization stations will remain in place for guests at the entry and designated points throughout all Sarova properties.

- 4 We encourage all our guests to observe safe distancing during events, particularly indoors/enclosed spaces.

- 5 All our guests who are fully vaccinated shall be exempted from the requirement of PCR tests.

- 6 For inbound guests, quarantine for both vaccinated and unvaccinated guests is no longer required.

- 7 All eligible unvaccinated guests arriving to Kenya must have a negative COVID-19 PCR test results conducted not more than 72 hours before departure.

- 8 Unvaccinated guests arriving at any point of entry into Kenya shall be subjected to rapid antigen test at their own cost.

- 9 All guests arriving at any point of entry into Kenya will be required to fill the passenger locator form on the "Jitenge" platform.

- 10 Guests travelling out of the country will be required to abide by existing travel, health and COVID-19 related requirements of the destination country.

We continue to observe all Covid-19 protocols to ensure we provide our guests and staff a safe and secure environment.
