A CELEBRATION OF OUR MATRIARCHS

The month of May celebrates the women who have shaped and inspired our lives so profoundly – our mothers. The world abounds with tributes and quotes of the influence our matriarchs have had on us, each one shaped in one way or another by passionate nurture and selfless dedication. To each and every mother, we salute you. And to celebrate you, we have special offers curated just for mom, to pamper and offer some rejuvenation – be it an elegant brunch affair, a relaxing staycation, a safari retreat or a signature spa treat, all our fantastic options are on offer across our hotels. Stay updated to make reservations and early bookings via our social media pages.

THURSDAYS ARE FOR JAZZ

Nairobi City's social scene continues to evolve, now more than ever, so vibrant! With offerings that range from the local "nyama choma" & beer spots to much more high-end locations matched to international standards on design, food and music, the reveler is spoilt for choice. Enter Jazzy Thursdays at the **Deck Pool Bar & Lounge**, Sarova Panafric's chill spot. The easy yet chic setup attracts young, fashionable clientele with an appreciation for the musical expression whose origins date back to the African American communities living in New Orleans in the 1920s. The mid-week affair caters to Kenyans' love for a casual good time and is a popular attraction with in-house guests as well as small groups of friends. Great cocktails, an exciting tapas menu and incredible soulful vibes await this and every Thursday.

THE TULIA SPA AT SAROVA PANAFRIC IT'S MORE THAN JUST A PROMISE

It's our elegant expression of what total relaxation and pampering represents. Rivalling some of Nairobi's best kept spas, this all-new facility is part of the latest offering at the Tulia Wellness Centre, a rejuvenation retreat located at the Sarova Panafric Hotel. Set to open this month of May, the Tulia Spa has been the much-awaited icing on the cake, an oasis of calm in an inviting ambient space. Delight the senses and be among the first to enjoy a nourishing treatment. Call **+254 791 868 413** to book your appointment.

THE WILDBEEST MIGRATION BEAT THUMPS ONCE AGAIN

From around June every year, the Mara comes alive with a most spectacular event. The Great Wildebeest Migration is a title duly earned for a profound affair that converts the savanna terrain into an arena where only the strongest survive. The migration is unique only to Kenya and Tanzania. In Kenya particularly, the spectacle is only witnessed over a few months of the year – **June to September**. During this time, not only does the Sarova Mara Game Camp offer excellent facilitation to experience the heart pounding scenes, it's tranquil location offers respite from the excitement of the migration as well as striking views that continue to immerse you into the grandness of the savannah. PEDAL TO THE METAL ON RUGGED TERRAIN

Mark those calendars. Set those reminders. One of the most electrifying stages in the World Rally Championship (WRC) circuit is gearing for a display of rallying sportsmanship at its finest. From **22nd – June 25th 2023** in Naivasha, Nakuru County, we get to relive the thrill and excitement of the WRC Safari Rally, named so for its grueling closed dirt roads. Fast and furious cars & high adrenaline is experienced across 3 days of exciting fun and action against a scenic African backdrop rich with exotic wildlife. This year's 70th edition will be sure to pay tribute to Irish man Craig Breen a legend who passed away in April in an accident during the Croatia leg.
