NOVEMBER 2022 | PRESS RELEASE

October 22nd, 2022: Sarova Hotels and Resort's city property, Sarova Panafric Hotel scooped a top award in this year's World Luxury Hotel Awards 2022 (WLHA) in a global exercise that required both existing and potential customers to vote for their favorite luxury hotel and resort.

Sarova Panafric Hotel had been nominated in three categories; Luxury Hotel & Conference Centre, Luxury Wedding Hotel, and Luxury Banqueting/Event Hotel. The luxury Nairobi-based hotel scooped the award for the continental winner in the Luxury Banqueting/Event Hotel category further stamping its authority as a dream destination for visitors locally and across the globe.

Despite being a luxurious hotel, Sarova Panafric has remained among the top choice for both organizations and individuals, locally and internationally who host both regional and global events, as well as life-changing and memorable social events such as weddings.

"We do not take this win for granted. For us, these are not just normal wins, but a vote of trust, confidence, and faith that our customers within Kenya and outside Kenya have in us. Many players sell products and services, but for us, at Sarova Panafric we offer trust and memories. We offer a home and a place that someone will always long to be," said Managing Director Sarova Hotels and Resorts, Jimi Kariuki.

"We would like to thank our customers and all those who gave this confidence vote. We are because of them and we shall always strive to give them the best. We cannot thank them enough," he added.

Earning its place in Kenya's history, the hotel is aptly named after the Pan-Africanism Movement and is an idyllic city getaway in the hub of Nairobi City that has recently undertaken comprehensive refurbishments that offer modern and luxurious rooms and amenities while still preserving African tradition and culture within its iconic look.

"The Sarova Panafric Hotel has been a story of uniting people, celebrating culture and warm hospitality. Today, we are bringing forth our history as we revolutionize your experiences with bold contemporary design, one-of-a-kind restaurants and bars, sustainable sourcing, and homage to tradition," Mr Kariuki added.
