EXCURSIONS & ACTIVITIES

Full Day Excursions – Lake Nakuru National Park hosts a number of exciting places of natural wonder and beauty. The hotel arranges day trips to the sites, complete with a trained tour guide and picnic lunch.

Lake Nakuru – Lake Nakuru a shallow, alkaline lake, is best known for the lesser and greater flamingos that feed on the algae which thrive in warm water. The lake is rich in bird-life with over 400 resident species on the lake and in the surrounding park.

Thousands of little grebes and white-winged black terns are frequently seen, as are black-winged stilts, pelicans, cormorants, avocets, ducks and in the European winter, many migrant waders. It is also known for the black and white rhinos that thrive in the park in addition to zebras, buffaloes and Rothschild's giraffes.

Game Drives – Lake Nakuru National Park is among Kenya's finest national parks spread around picturesque Lake Nakuru. Flanked by rocky escarpments, pockets of forest and at least one waterfall, (Makalia) the park is home to the white rhino, flamingos and rare tree climbing lions. In a two-hour game drive, guests can explore the main parts of this natural paradise.
